TO QUALIFY

Clubs in their programme and Conditions of Play shall stipulate which stableford competitions shall determine entry to this event.

The competition shall consist of five (5) stableford rounds of 18 holes, played between February and July.

Handicap Divisions for the Stableford Brooch are determined by the player's G.A. Handicap on the first round they play and are:

Div 1: 0-22.4, Div 2: 22.5-32.4, Div 3: 32.5-45.

Once a Player has commenced in her relevant division, she shall remain in that Division for the life of the competition. All scores returned irrespective of handicap changes, shall count towards the players aggregate.

The winner of each Division shall be the competitor who returns the highest aggregate score of her best 3 stableford rounds out 5 District Brooch rounds played that season.

Cancellation of a round after play has commenced, is only permissible if the course has been declared unplayable. The round may then be reprogrammed. During the season, if the Club Committees need to re-organize their programme and this event has not been played, it is permissible to re-schedule the event.

All ties, after competition has been completed, must be decided by a count back over the last card returned of the 3 qualifying cards. If still tied apply the standard count back system on that 18 hole card.
